Try to return it to that bookstore OR UCI bookstore will buy it for 92\$ (as long as it is the same edition that the bookstore carries. No international editions or instructor copies).
4. Bought a USED “Irwin” book at **OTHER** bookstores:
Try to return it to that bookstore OR UCI bookstore will buy it for 92\$ (as long as it is the same edition that the bookstore carries. No international editions or instructor copies).

The students who wish to sell the book for the \$92 can go to the buyback tent outside the bookstore and get the \$92 in cash. They can then go into the store purchase the correct book like normal. The only students needing special assistance are those who have receipts for new copies or UCI Bookstore used copies and are wanting to do an exchange. These students can go to the Customer Service desk for help with the exchange. If you encountered any problem in the return procedure at bookstore please contact “Carrie McCully” for help.
